

**IIMSR**

**Imperial Institute of Management Science & Research**

A Unit Of Wales Educational Trust

## Eligibility Criteria

Candidates should have passed 12th with Physics, Chemistry and Mathematics subjects from a recognized board.

## Duration: 1 Year

- Physics
- Mathematics
- Fluid Mechanics
- First Aid
- Fire Engineering
- Chemical Engineering
- Environmental Engineering
- Chemical process safety
- Risk assessment and hazard identification
- Safety Engineering
- Material Science
- Fire protection systems
- Hydraulics and pumps
- Industrial safety management
- Fire fighting equipment
- Search and rescue techniques
- Accident investigation
- Special fire hazards
- Explosion and fire dynamics
- Fire safety risk assessment
- Health safety environment
- Practical training
- Town planning
- Disaster management
- Communication skills
- Communication systems
